# INTRODUCTION

We have started the journey almost 11 years ago. Company has built its empire on three pillars i.e. QUALITY, SERVICE AND PRICE. We are not claiming of number one position in this field but one thing we are sure of that there are very few players in the market who works with the sharpness that we work.

Each and every product is filtered and checked at various levels before it delivers to our clients. We always make sure that our products give you better business and try to maintain the monopoly of the product so that your margins are not compromised at any levels.

We are majorly dealing in porcelain tiles and supplies mainly to UK and supplies to the other parts of the world. We have office in UK to provide better support and service to our clients in all the segments from ordering to logistics. Company representatives in the UK are always updated with taste and requirements of the market and we try to provide you the best suitable material for your market.

We provide rates by keeping the international markets in mind to make sure that you will not pay even a single penny extra for you purchase.
